

# THE PERFECT BOTTLE LABEL APPLICATOR FOR SMALL-MEDIUM BUSINESSES

The STS808-V is a semi automated label applicator for bottles, cans, jars, and tubes. It can apply up to two labels on a cylindrical object – great for wine bottles with front and back label.

You can also configure the STS808-V easily to handle label on a straight or tapered bottle.

The STS808-V allows you to save up to 29 settings in the memory. So that you can switch quickly from one bottle type to another without re-configuring the applicator.
